

# Dronavation

The Kent State UAS Experience

## Uncover the Future of Aerospace Innovation!

Join us to learn more from **Alessio Constantini**, a seasoned Italian lawyer with more than two decades of experience in Transportation, Aviation, Commercial, and Corporate Law.

**WED. NOV. 15 | 12-2 PM | VIRTUAL**

- » Dive into trends, regulations, and policy shaping Advanced Air Mobility (AAM) internationally.
- » Discover how the multi-trillion-dollar aerospace industry is transforming.
- » Explore the effects of demographics, market expansion, and environmental concerns.
